The 1966 Aquila Is Dedicated To Mrs. Margaret Mahaffy

Secretary To Principal

All of us like to be around people who are happy and who care about others; such a person is Mrs. Mahaffy. Not only does she efficiently execute her duties as secretary for the principal, but she is willing to help everyone. Remember when you did not have time to mimeograph those tests? Recall the day you turned in a bulletin late and it was in the announcements the next morning? Can you forget that day she told you how nice you looked and what a pleasant feeling her comment gave you. Mrs. Mahaffy is a person who takes the time to care about others. Hence, the AQUILA appreciates this opportunity to honor her.

Mrs. Mahaffy works very industriously at her desk,

School Facilities Are Enjoyed

Eddie Light, Tom Hadley, and Don Fullrich enjoyed their lunches in the cafeteria.

Harding students have made good use of the school library.

By All

Harding has a right to be proud of its facilities. The library is a well-known part of the building, and it has a good supply of resource and reading materials. In addition, this year there is a book room, where classroom books are checked in and out. Also, there is a fine cafeteria that has been greatly utilized during this year. Throughout the year students have had a chance to become familiar with the school and to enjoy its many advantages.

Sue Glasgow, Sendy Harrison, and Sandra Banhart are helpers in the new book

Miss Hunter, Mr. Ethnidge, Mr. Hinkle, Mr. Welch, and Miss Taylor enjoyed their morning gatherings in the teachers' lunchroom.

Harding Has Many Views

Activities Hold The

Senior high pepiclub girs enrived water on the fourbal games.

There are many activities in which students may participate. Sports are an important part of the student life. Boys as well as girls show their school spirit by taking part in the sports and by cheering for their team.

Some activities and clubs do projects that are helpful to the school and the community such as the Key Club, Courtesy Club, Safety Council, and the Emerson Project.

Activities are available for all students. They help to develop the interests of the students and to make them more well-rounded individuals.

Junior high pop clubs greated their football team with choors.

Mr. Lederla J. Scott Principal

Mr. Lederle J. Scott is the mainspring of Harding's functions in his position as Principal. His administrative skills have kept the vast network of departments, organizations, and activities operating in such a manner as to be of maximum benefit to each and every patron, faculty member, and student. Mr. Scott is an integral part of all facets of the school—from making important decisions on school policy to cheering for our athletic teams. He is a principal of whom Harding can truly be proud.

Mr. Scott received his Bachelor of Science degree and then a Master's degree in Education from the University of Oklahoma. He has had a great deal of experience in school administration at various state elementary and secondary schools.

Students Serve In Emerson School Project

There were fifty unselfish Harding Senior High It dents who volunteered their services to work with unit rail, deprived children on the Emerson After school Activities Program. Each Monday and Increday an average of twenty students went to Emerson Elementary School after a busy day at Harding to work for an hour with 4th. 5th, and 5th grade boys and girls in four areas of activity: Artis and Crafts, Music and Dance, Story Teiling and Drama and boys' and girls' Physical Activities followed by a refreshment period for the children

There Big Brithers and Sixters to the Emerson children fire shelf a most valuable service. Not only did they provide after-school supervision of recreational and instructional activities but they gave these children a close association with the finest kind of youth leadership. The Harding students gained in turn experience in developing talents and abilities for naderstip and service that will be invaliable to them as they proceed with their edication. The eaderness with which the Emerson children awaited the coming of their friends and the affectionate bond established between the two drups more than repaid our busy students for their participation in this greatly appreciated project.

... into the Future

Throughout the year there were many events which will long be remembered. The school began with the usual welcome back and the greeting of new students and teachers. Although students settled into routine, various activities brightened the calendar. Everyone joined in cheering athletic teams on to victory. Advisories began to plan fund-raising projects for the different contributions. In addition clubs had parties to get things started. Soon everybody was in the good old Harding spirit. The holiday season brought dances and projects such as Toys for Tots.

During the second semester students were also occu-

pied by numerous events. The Junior High had their annual sock drive. Activities filled Loyalty Day from morning to night; and of course, the Prom brought a great deal of excitement for the juniors and seniors. But as the year came to a close, there were mixed emotions for all. Seniors looked back with regret at leaving and yet with hope for the future. The underclassmen were anxious to enjoy their summer. However, their wonderful days were not soon forgotten. Thus, this Aquila will always remain as a memento of the 1965-66 school year.

Spring was a time of much activity for all Hardingites. The Student Council presidential election was tense and eventful, "Springtime in Paris" predominated the mood of the annual Key Club-Courtesy Club style show. The Aquila assembly was held May 20, and Aquila queen, Who's Who, and Class Favorites were announced. Spring 1966 was an exciting close to school-year 1965-1966

The highlight of graduation for the seniors was the receiving of the diplomas.

As The Year Comes To A Close . . .

Many Activities filled the last month of school. The Prom brought a great deal of excitement for the Juniors and Seniors. It was held at Lakeview Country Club, and the theme was "Far Away Places." As soon as the Prom was over, the Seniors had many things to do to get ready for graduation. The Senior Sermon took place on May 22nd at the First Presbyterian Church. On the morning of the 26th, the Seniors gathered at Val Gene's for their annual breakfast. Mr. Scott was presented the keys to the trophy case given by the 1966 Senior Class. The day ended with the graduation of 270 seniors in the Harding Auditorium.

Kathy Knoop, Susan Newman, Bill Roark, Janet Greer, and Tom Townley enjoyed the Senior Breakfast at Vol Gene's.
